It will be remembered that, at the annual meeting held March 2, 1874, the town voted to raise and appropriate the sum of two thousand dollars towards the payment of the town debt. The Treasurer has paid the sum of twenty-one hundred three dollars and seventy-two cents ; thus lessening the town debt by that amount, and relieving the taxpayers, in the annual amount paid for interest, in the sum of one hundred forty-seven dollars and twenty-six cents.

The Treasurer would recommend that the sum of two thousand dollars be raised and appropriated the present year for the purpose of still lessening the public debt.

All of which is respectfully submitted,

JOHN G. METCALF, *Treasurer.*
